Principal's Message

Miss McKenney and I wish to congratulate the members of the class of '55 for their very fine yearbook. We hope that all students who contributed in any way to this successful class project will accept our appreciation for their time and effort.

We should like to thank Mrs. Barker, Miss Morse, Mr. Barlow, Mr. Nason and Mr. Tucker for their advisory assistance.

Our wish is that each member of the graduating class will work diligently and enjoy success in whatever task lies ahead.

WARREN PEARL, A.B., M. ED.

Athletic Director, Football Coach, Basketball Coach.

Warren Pearl

Dedication

In honor of his untiring efforts to raise the morale of the students and to help the boys in sports, we, the class of 1955 are very proud to dedicate our year-book to Coach Warren "Baron" Pearl.

Student Council

The Student Council, one of the school's most active organizations, is made up of members from each class who are elected each spring.

Each class is equally represented on the council. This year it had thirty-six members. The officers were: President, Joan Belanger; Vice President, L. Surace; Secretary, Nancy Smith; and Treasurer, Robert Casimiro. The able advisor of the council was Mrs. Krauter.

The main purpose of this organization is to carry out projects which benefit the whole school. The council staffs the clinic, plans assemblies, sells refreshments, sponsors yearly freshmen receptions and conducts elections. It also exchanges council members with other schools for a school day to see how their council works. The council does not deal with discipline within the school.

This year a plan was proposed for changing the school colors. The council held an election and the school decided to have the colors remain orange and black.

Many of the council's activities are not recognized by the student body, but this group is continually working for school improvement.

Scientific Society

The Brunswick High School Scientific Society is an honorary organization. Its purpose is to stimulate interest in and understanding of scientific developments and to make possible a wider range of study for the science student who has shown ability, interest, and initiative in the field of science.

Members are nominated by the faculty advisor and elected by the present members of the organization.

At the meetings which are held twice each month, members give reports on new developments in some field of science or perform demonstration experiments of a more advanced nature then are found in the regular science courses.

The chief project of the society is the Brunswick High School Weather Station. Brunswick is one of the few high schools in the United States which has a complete weather station. Each morning one member reports at 7:00 a.m. to take readings and observations. By 7:30 a.m. reports showing barometer readings, present maximum and minimum temperatures, relative humidity, wind direction and velocity, the amount of precipitation, and a weather forecast are posted on the school's main bulletin boards.

Radio Club

This year proved to be the most successful in the four year history of the Radio Club. Due to increased membership representation of all four classes, and better organization, the club was able to achieve a finer coordination than has been possible in the past. During the ninety minutes of air time per week, the club broadcasted discussions, plays, talent shows, interviews and many other features. "Battle of Wits, Teachers Versus Students" ended in a tie again.

This year for the first time the club was able to offer greater opportunities to students interested in the technical aspect of radio broadcasting. A news series of afternoon programs was also begun. Called "The Brunswick High School Record Party", this afternoon program, under the able direction of Glen Howard, head engineer, featured records, school news, and four free passes weekly to the local theaters, to the listeners that named the mystery tune. The club also discussed the possibility of having a dance. The Radio Club is a hard-working organization that accomplishes much. Why not give us a listen?

Dramatic Club

The popular saying "You can't keep a good man down." could easily be adapted to the Dramatic Club here at Brunswick High School. For seventeen years it has been flourishing under the hand of Mrs. Thalheimer, and it has the best record in the state for the One-Act Play Contest. Last year Brunswick entered a wonderful fantasy called *Land of the Heart's Desire* by William Butler Yeats. The play won the preliminaries and went to Bowdoin College for the finals. It was well received, however it was not chosen to go to the New England's. All who saw it agreed it was a good play to watch, and hopes were turned towards next year.

The play chosen for this year's contest is a very difficult, but very beautiful Thirteenth Century Italian love story called *Paolo and Francesca* by Stephen Phillips (1868-1915). Since the plot is so unusual, I would like to outline it for you. It concerns two brothers – Giovanni, called The Lame, and Paolo, called The Beautiful. Giovanni served under LaPolenta of Rovenna and won the hand of that potentate's beautiful daughter, Francesca da Rimini. However her heart was won by the handsome Paolo, and the two lovers, surprised by Giovanni, were murdered by him. This episode has been immortalized in Dante's *Inferno*.

As one can see this play is a challenge to the actors. The costuming and staging has been painstakingly gone over by Mrs. Thalheimer, and we think it's tops. We wish the actors luck and hope that they will make it to the New England's which are being held in Marblehead, Mass. this year.

The Club does not only put on plays for the Contest; it also gives some for the school to enjoy. This year *The Prince Who Was a Piper* was enthusiastically received by all who watched it. The cast included members from all the classes which shows what a wide membership the Club includes.

The Dramatic Club is one of the largest clubs in the school. It has room for all who wish to come out for it. It encourages stage work, and ticket and publicity work as well as acting. All the money it takes in as profit goes towards bettering its equipment and its plays. We are sure that under the direction of Mrs. Thalheimer assisted by Mr. French and Mr. LeBlanc the club will continue to enrich the life of the school.

National Honor Society

The National Honor Society is one of the few organizations which gives recognition to the scholastic ability of a student.

The Hawthorne Chapter of the Society at Brunswick High School was founded in 1935. Since then three hundred and twelve members have been elected at the average of fifteen new members a year. These members are elected solely for their academic achievements. The top ranking five percent of the Junior class and the top ranking fifteen percent of the senior class are elected each year.

For a number of years the members have been elected without an induction ceremony; the eight seniors elected last year plan an induction ceremony this year for the twenty new members. Another special event is the annual Dramatic Club, National Honor Society Banquet, held in the spring in honor of these two clubs.

The Hawthorne Chapter is now under the able guidance of Miss Mary Small who was a member of the Society when she attended Brunswick High School.

Football

The football team under the mentorship of Warren "Baron" Pearl had the best season in the history of Brunswick High School. Only six points kept them from having an undefeated season and a Double FF championship.

The team got off to a fast start with good spirit and teamwork. They started off by swamping arch rival Morse 38 to 0. Dave Smith and Johnny LaCourse did the bulk of the ball carrying, the former scoring twice and the latter hitting paydirt three times and passing for two more. The linemen Johnny Williams, Bob Brilliant, Rocky Tetreault, Mo Bouchard, Jim Cornish, and Pee Wee Ouellette showed blocking that hadn't been seen for a good many years. Not only did they block at the line of scrimmage, but they went downfield and knocked out the secondary which allowed the ball carriers to get that much more yardage.

Next on the list came Old Orchard. Brunswick walked away with another victory, but lost their left halfback Johnny LaCourse with a knee injury in the third period.

As the season progressed the games got tougher. Phil Coffin started calling the plays and kept the team rolling. Dave Smith, Dick Garrison, and Phil Coffin lugged all the leather in the next three games chalking up 49 points while beating St. Doms 18-0, Madison 12-7, and Westbrook 19-7. The following week, Biddeford was leading Brunswick 12-7 at the Half. The second half had just started and Billy Perreault received a Biddeford punt on his own 14 yard line and scampered down the sidelines for an 86 yard T.D. and Brunswick was out in front again. Johnny LaCourse returned to the line-up in the last five plays of the game and passed to Phil Coffin for an insurance score. The next week, Brunswick ventured to Gardiner to play their toughest game of their campaign. It was a dull, drizzly day and half way thru the second period, it started to pour. Both teams played inspired football, crashing down within scoring range only to lose the slippery pigskin on fumbles. The score remained deadlocked 0-0 until the last minute of play. Then, Gardiner had a couple of good breaks and finally scored on an end around. Brunswick's "never say die" spirit took over. They tried to rally. LaCourse pitched to Smith for a couple of good gains. Then Phil Coffin took a screen pass in the flat and it looked like paydirt. Phil picked up a couple of good blocks, then slipped on the muddy field trying to avoid a tackler, and after gaining thirty yards, the game ended with Brunswick in scoring position on Gardiner's 20 yard line. The Brunswick team was heart-broken, but when Veteran's Day game rolled around they were all fired up to get Morse. Morse put up a tough fight for the first half. Then in the second half, Brunswick went to work. Each back for Brunswick had his crack at the goal line: Smith, Coffin, Garrison, and LaCourse. Each scored one TD. Lionel Bourke finally got his toe limbered up and kicked three out of four points after the TD's. The final score was Brunswick 27, Morse 2.

Brunswick had a total score of 159 points with only 34 points being scored against them. Brunswick was rated as one of the top defensive teams in the state.

After the season had ended, Brunswick scored another victory by placing Bob Brilliant, their center, on the third string "All State Team." Bob who switched from tackle to center in his Senior year did an excellent job making only one bad pass all season.

Senior starters who are leaving this year are Bob Brilliant, John Williams, Maurice Bouchard, John LaCourse, David Smith, Jack Priestly, Phil Coffin, Pete Ouellette, Ray Tetreault, and Gerald Gott. Other Seniors are Robert Davis and Maurice Castonguay who kept the team spirit very high and were a great help when the team was feeling low.

Basketball

The Brunswick Dragon hoopsters under the fine coaching of "Baron" Pearl wound up the season with an eight win, ten loss record. Phil Coffin and Joe Fournier were the season's high scorers, the former averaging 15.1 points per game and the latter 11.3 points per game. Both of these boys will be lost to the team next year along with flashy guards Jack Priestly and Maurice Michaud. Another loss will be lanky Gordon Wilson, a veteran of three campaigns.

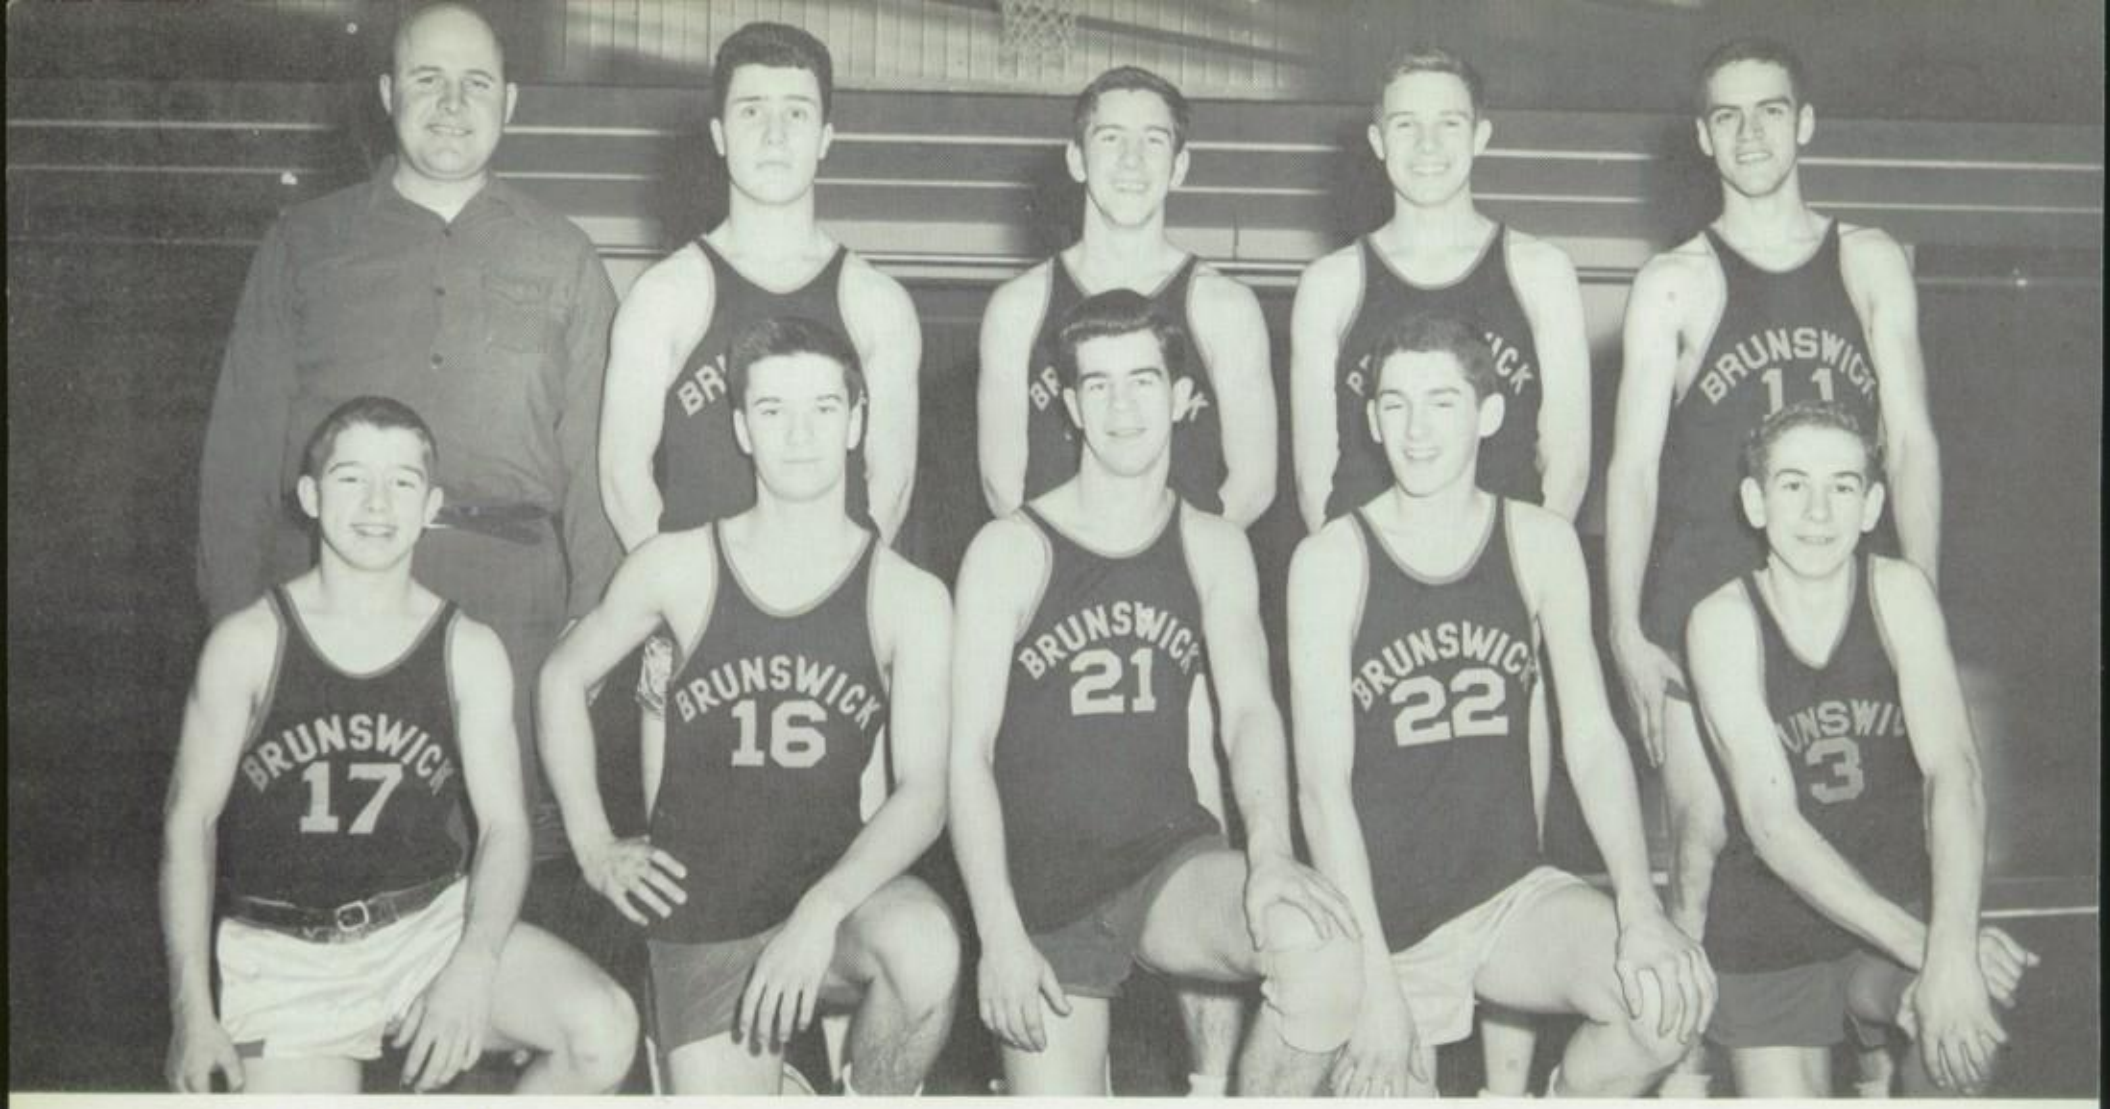
Brunswick started off very weak being downed by Stephens once and St. Doms twice, all three games by one basket. Then they bounced right back and won four games in a row. These games that were lost were chalked up to inexperience, and they kept the Dragons from the tournament at the end of the season.

The high peak of the season was when the Dragons, having been previously defeated by arch rival Morse by thirty-four points, bounced back with a five point victory over the high flying Ship Builders, giving them the biggest surprise of their campaign. Morse came to Brunswick with a very impressive record and a sure spot in the Western Maine Tournament. However, the Dragons were up for this game and before a full house they thrilled the spectators with marvelous ball handling by Jack Priestly and Pat Labbe and fine jump shooting by Phil Coffin from the corners. One of the most important things that happened in this outstanding game was that Lionel Bourque finally found himself and began jumping. Time and time again he took the ball away from the much taller Morse ball players and helped the team tremendously to a major upset of 57-52 over Morse High of Bath.

Next year Brunswick can look forward to a squad with many veterans. Outstanding ballplayers coming back will be stellar guards Pat Labbe and Dave Paiement, centers Dick Garrison and Lionel Bourque, forwards Jack Morrison and Bill Perreault.

Other veteran J.V. players who will give the Dragons much needed depth next year are Dom Vermette and Bill Ouellette, and probably Wayne White and Randy Furbish.

The Dragons will be looking forward to a tournament berth next year.



Best of Luck
to a swell kid.

Swimming

The swimming team coached by George Crimmins had a season with a scarcity of underclassmen and only three Seniors. Most of the would be swimmers were taken by the basketball team.

Ed Langley was one of the powerhouses on the team. He practically drowned every opponent he swam against. Ed usually swam the 100 and 50 yard free-styles, but he broke the B.H.S. 200-yard free-style record in the low time of 2.13 minutes. He also lowered the 100 yard free-style record to the time of 57.6. Ed will be a great loss to the team next year.

A boy who will try to make up for the loss of Langley will be Richard Snow. Snow has swum wherever he was needed. He swam the Medley, the breaststroke, backstroke, and sometimes he even swam free-style.

Two veteran seniors, Larry Atwood and Bill Ormsby, who didn't report for practice until late in the season, were unable to get in shape in time for the State Meet but they did a fine job.

Two other boys who will figure in much of the scoring next year, are Burr Tayler and Jack Frost. The former swimming the backstroke and the latter the breaststroke.

A sophomore, Jim Fish and four freshman: J. Hannaford, J. Black, R. Barkley, and R. Stuart will add much depth to the team next year.

Another factor that ought to help the varsity in the next few years, is that the B.J.H.S. won the State Invitational Meet. Bruce Frost, an eighth grader, broke the state 200 record.

Mr. Crimmins is looking forward to a fine season next year with many veterans and new comers from the Junior High.

Mr. Crimmins this year was elected vice-president of the New England Swimming Association. He is a credit to Brunswick High School.

Track

The Brunswick High School Track Team, under the able Coaching of Bob St. Pierre had a fine season, winning three meets out of five during the regular season. Besides the regular season wins, Brunswick placed third in the Andy Valley Meet behind E.L.H.S. and Rumford. They also placed third in the senior division, and second in the junior division at the Bates relays.

Dick Munsey was the most consistent scorer for the team in the broadjump, along with Phil Coffin, Dave Smith, and Lou Coulombe.

In the State Meet Dick Munsey won honors by taking first place in the broadjump, and Lou Coulombe placed in the low hurdles. Munsey and Coulombe also participated in the New England Inter-Scholastic Track Meet.

Letter men returning next year are as follows: Seniors; P. Coffin, D. Smith, L. Coulombe, R. Davis, and J. Williams.

Second Row: R. Tondreau, R. Palmer, R. Lachance, J. Priestly, F. Pierce, G. Wilson, D. Paiement, Coach Dallaire.

Baseball

The baseball team under the coaching of Ray Dallaire was very young and inexperienced this year. Their record was one win and ten losses. In spite of the losses the boys improved with every game.

In the first game John LaCourse pitched a four hitter against E.L.H.S. Until the last of the ninth it looked liked Brunswick's victory until they made two errors and E.L.H.S. surged ahead 4-2.

Errors prevailed when Brunswick lost their return bout with E.L.H.S. as Billy Perreault pitched another four hitter. Don Rogers hurled a fine game against St. Doms but errors again set them down, as was the case the remainder of the season.

Dick Garrison, a freshman, did a fine job of receiving behind the plate after Don Harrington had split his finger and moved to the outfield. Jack Priestly did a flashy job at short stop and was the most consistent hitter. Each boy improved in some way through the season, either in his hitting, fielding, or baserunning. These improvements will make a big difference in next year's team. Although they were not winning, all the boys got a chance to play and to gain experience. Veterans returning next season will be Jack Priestly, Phil Coffin, Don Harrington, John LaCourse, Russel Palmer, Maurice Michaud, Gordon Wilson, Leigh Apt, Wayne White, Bill Perreault, Dave Paiement, Dick Garrison, Bump Pierce, Ken Tomko, and John Dudley. Therefore Brunswick High can look forward to a successful season next year and hope for an Andy Valley League title.

Left to Right: R. Lemieux, J. Morrison, Coach Hart, R. Landry, K. Menard.

Golf

The golf team coached by Bob Hart racked up a very impressive season, winning 7 out of 10 outings, losing only one and tieing two matches with teams which they had previously beaten.

Raymond Landry was number one man with the lowest consistent scores. He did a fine job as he was paired with the best golfers of the other teams. He was followed by Ken Menard and Jack Morrison who also did very fine jobs. Following them was a lone senior, Joe Stetson, who gave much depth to the team, and Bob Lemieux who didn't receive his letter but will strengthen the team this spring.

SCORING

Each man on the golf team plays an individual match with an opponent. The golfers are matched up in fours, so that each foursome has two individual matches each of which counts one point. In addition to that, the best ball in each foursome counts one point. With four men playing, a team can get six points. Half points are scored when there is a tie in an individual match, and when there is no need to play it out to decide which team has won.

In the spring of "55" with almost the same team, we should see them victorious again in their field of golf.

Left to right: J. Helmreich, L. Phillipon, R. Riendeau, N. Russell, Coach Smith.

Tennis

The tennis team coached by John Smith didn't have an outstanding season, but the team is still young. The tennis team has only been active since 1951.

Even though they had a winless season, Jon Helmreich did a fine job and ended with a five win, two loss record. Jon played the number one man of the opposition in every match. In one match he beat a boy from St. Doms who was a finalist in the State Meet. Unfortunately, Jon took sick at the time of the State Meet and was unable to participate. Jon will be a great loss to the team this year.

Allison Elliott and Larry Philippon, the two lone Seniors on the team this spring, will supply the power. They gained much needed experience last year and will be looking forward to a good "55" season.

Another lad who will undoubtedly be one of the finest ever to come out of B.H.S. is Chippy Black. Coach Smith says that Black will be pushing Elliott and Philippon next year. The best thing about Black being so outstanding is that he is only a freshman and will be with the team for four more years.

Two sophomores Ray Riendeau and Norm Russell supplied the depth that the team needed. In the future Ray and Norm will both be great assets to Coach Smith's tennis team.

Slow but sure, our tennis team is coming into its own. Let us hope for a State Championship in the near future.

How well we remember . . .

it was June and we were graduating. To many it was liberation day. No more books, teachers, classes, and all the things that seemed to restrict our youthful lives. But now . . . how well we remember those pleasant school days, close friendships, and the educational foundation that have enabled us to live happy and successful lives.

The graduates of Brunswick High at H. C. Baxter & Bro. (and those who attended other schools) wish both graduating and undergraduate classes as much happiness as we have derived from our remembrances of our days in school.
